**Offer**

We are a middle of meat and meat (beef and pork cutting plant, meat preparation section). Sales through stores and distribution to approx. 400 corporate customers in Suceava, Neamt, Bacau and Iasi. A product line includes the premium and traditional. Another line focuses on commercial products. We have a strong local orientation with respect to the purchase and sales markets. Founded in 1995, we conducted a large project investment of European funds in 2009, reaching in 2011 a turnover of € 2.5 million a founding member of the Association Produced in Bucovina.

We are a medium-sized meat processing plant (cutting of cattle and pork, mincing, cooking and smoking of cattle, pork and poultry). Sales are effected in towards own shops and about 400 small and medium-sized Romanian Customers in Counties of Suceava, Neamt, Bacau and Iasi. There is a high-end line of products as well as a commercial one. We have a strong local orientation regarding both Acquisition and sales markets. Founded in 1995 and having a larger investment project Implemented in 2009 by Means of European funds, achieving in 2011 to € 2.5 million turnover. Also we are a founding member of the local Product Producers Association in Bucovina.

Company offers: Processing and assembly of components and mechatronic assemblies.

With 9 years experience in the German market, Rom Carpat processed and assembled to customers following product categories:

- Part of clocks mechanisms;
- Scissors Disposable laparoscopic surgery;
- Micro gear for automotive and industrial use;
- Valves for air compressors;
- Audio frequency filters, inductors;
- Temperature regulators;
- Electromagnetic components for industrial and automotive;
- Servo brakes;
- Assemblies for automatic teller machines;
- Assemblies for bank scanners;
- Assemblies for instruments and medical equipment;
- Assemblies for household appliances;
- Stamps semiautomatic;
- Miniature components for the automotive industry;

Areas of interest: new markets and distributors

Carpat Rom Company seeks foreign partner specializing in the design and manufacture of finished products containing clocks assemblies that will operate in both their assembly and for their distribution in Romania.

Carpat Rom Company is looking to further develop the processing and assembly of components and clocks assemblies by taking customers and new products.
