Face to Face with India, 28 April 2015

Invitation

The Chamber of Commerce and Industry of Romania and Impact Media have the pleasure to invite you to the Inaugural Session of the India Opportunity Seminars. The seminar is a half-day event meant to introduce Romanian businesses, entrepreneurs, and executives to the new business opportunities emerging in India and guide them through the challenges of doing business there.
The event is divided in two sessions, with the first session addressed by India experts in Bucharest, while the second session being addressed by top-ranking consultants in India who will interact with the Romanian audience through a video hookup.
This second half will be a Q&A session meant to answer questions related to the business and regulatory climate in India, and what issues a Romanian company may encounter while doing business in India.
