Dear Participant,

As We Kocaeli Chamber of Commerce, we organized Intemak'15 Eastern Marmara Machinery, Building Technologies and Products Construction Machinery and Equipment, Heavy Equipment Specialized Fair in order to advance equity brand and to raise regional cooperation of Eastern Marmara and Kocaeli which is economic central of Turkey, pioneer city of improvement and also prominent city of country that create working capacity under the leadership of Kocaeli Chamber of Commerce with Bolu Chamber of Commerce and Industry, Düzce Chamber of Commerce and Industry, Sakarya Chamber of Commerce and Industry, Yalova Chamber of Commerce and Industry, Gebze Chamber of Commerce and Körfez Chamber of Commerce's Supports.

INTEMAK'15 which will bring together Machine, Heavy Equipment And Hand Tools; Structural Steel And Prefabricated Buildings; Heavy Construction Insulation Equipment, Construction Chemicals And Framework; Fine Construction Material And Internal Structure Fittings; Joinery, Frontal, Automatic Door Systems; Warm Shading, Air Conditioning And Green Buildings; Labor Safety; Iron And Steel And Iron Wire Flooring; Plastic Tub, Faucet, Pump; Metallic Oils; Machine Patterns And Packing; Furniture And Decoration; Automotive Supply Industry; Logistic Storage sectors, therewithal aim at potential of regional and national industry of represent at the highest
level on the international platforms.

Murat ÖZDAĞ
Kocaeli Chamber of Commerce

President

EXHIBITION CENTRE

Intemak’15 Eastern Mamara Machinery, Building Technologies and Products Construction Machinery and Equipment, Heavy Equipment Specialized Fair will be held in halls of international fair center of Kocaeli Metropolitan Municipality on 08-11 October 2015

Kocaeli Metropolitan Municipality International Exhibition Center
Adress:YeniGölcükYolu, SanayiMah. 41100 İzmit, Kocaeli
Tel: 0212 2332590

PARTICIPANT PROFILE

Participator groups of Intemak'15 Eastern Mamara Machinery, Building Technologies and Products Construction Machinery and Equipment, Heavy Equipment Specialized Fair:

- **IRON STEEL AND NONFERROUS METALS**
- **PLASTIC, PIPE , VALVE , PUMP • MINERAL OİL**
- **AUTOMOTIVE, LOGISTICS AND STORAGE**
- **MACHINE AND MOULDS**
- **PACKAGING**
- **FURNITURE DECORATION**

VISITOR PROFILE

STRUCTURAL STEEL PREFABRICATED STRUCTURES
- Heavy / Light Steel Structure Manufacturers
- Re-rollers
- Nut , Bolt Manufacturers
- Source Machine and Electrode Manufacturers

HEAVY EQUIPMENT AND TOOLS
- Heavy Machinery
- Conveying Machine and Stacker
- Electrical and Mechanical Tools
- Hardware

INSULATION , CONSTRUCTION CHEMICALS , ROOF
- Wood and Steel Roof Systems
- Heat, Water, Sound and Fire Insulation Systems
- Aluminum Construction
- Connectivity - Fasteners
- Paint - Varnish
- Wall Cladding
- Roofing
- Ready-mixed mortar and plaster
- Building Chemicals , Adhesives , Connectors

ROUGH BUILDING, ENVIRONMENT, EQUIPMENT
- Concrete - Fittings and Equipment
- Installation and Fittings Material
- Landscaping –Landscape
- Wall Block and Building-up Equipments
- Scaffolding – Mould and Equipments
- Installation Equipments

FINE STRUCTURE, COATINGS, INTERIOR DOORS AND ACCESSORIES
- Treatment Systems • Suspended Ceiling Systems and Accessories
- Bathroom- Kitchen Hardware
- Computer Software
- Indoor Equipment, furniture, doors and accessories
- Finishing Elements
- Partition walls
- Floor Coverings and Equipment
- Wall Coverings and Equipment
- Internal Guidance Systems and Display Elements
- Stairs, Railing Systems
- Saunas and swimming pools
- Design Services

CUTTING (DOOR - WINDOW), FRONT, AUTOMATIC DOOR ENTRANCE SYSTEMS, SHADING
Connection-Fasteners
- Glass and Transparent Elements
- Shading Systems
- Automatic Door / Control Systems and Accessories
- Blinds, Roller and Venetian blind
- Lock System

HEATİNG AND VENTİLATİON , AIR CONDITIONING AND GREEN BUILDING
- Heating Ventilation, Air Conditioning

SAFETY
- Safety Equipment and Applications

And so on. products and services ...

VISITOR PROFİLE

Intemak'15 East Mamara Machinery, Building Technologies and Products Construction Machinery and Equipment, Heavy Equipment Specialized Fair's success and aim which is to ensure success to it's participants, will be enhanced with visitors both inside and outside of country and big benefits will be gained through bilateral, three negotiations and it is planned to reach a visitor's profile that builds bridges.For that, starting from nearby cities, all cities' chambers of industry and trade,municipalities, foreign delegations, exporters unions etc… will get contacted and will be invited. With the help of effective promotional activities, the visitors will be CEOs, general managers, managers, purchasing agents, company executives.

Individual and Institutional Visitor Profile:

• Civil Engineers

• Mechanical Engineers

• Electrical Engineers

• Architects

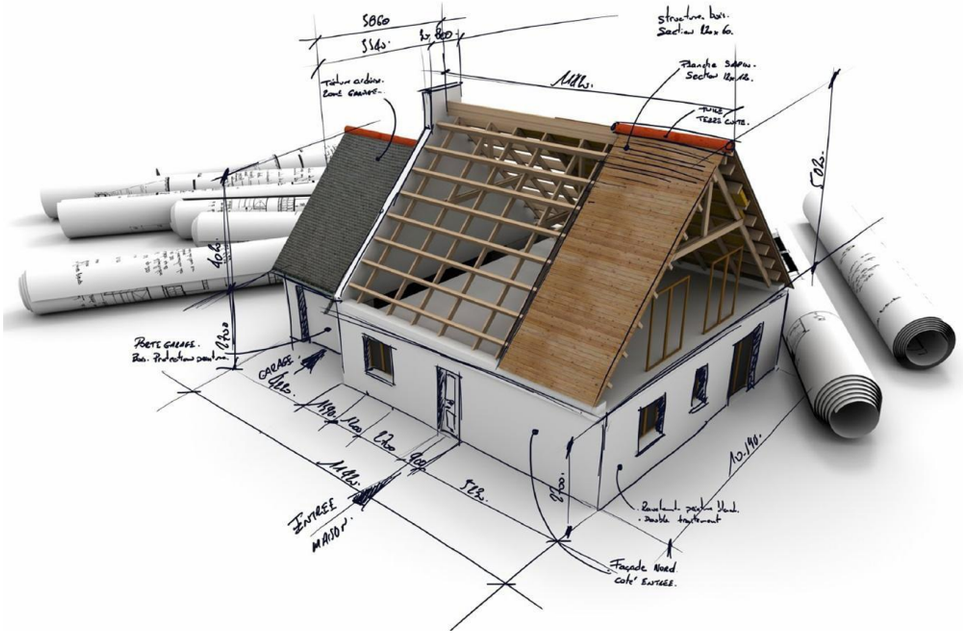

• Contractors

• Material Dealers

• Material Users

• Technicians

• People who want to take dealership

TIME TABLE FOR THE SETUP, VISITING AND CLEANUP OF THE FAIR

SETUP:

Dismantling Fair Visitation	Visiting Hours
04.10.2015	14:00 - 18:00
05.10.2015	09:00 - 18:00
06.10.2015	09:00 - 18:00
07.10.2015	09:00 - 00:00

Dismantling Fair Visitation	Visiting Hours
06.10.2015	12:00 - 18:00
07.10.2014	09:00 - 12:00

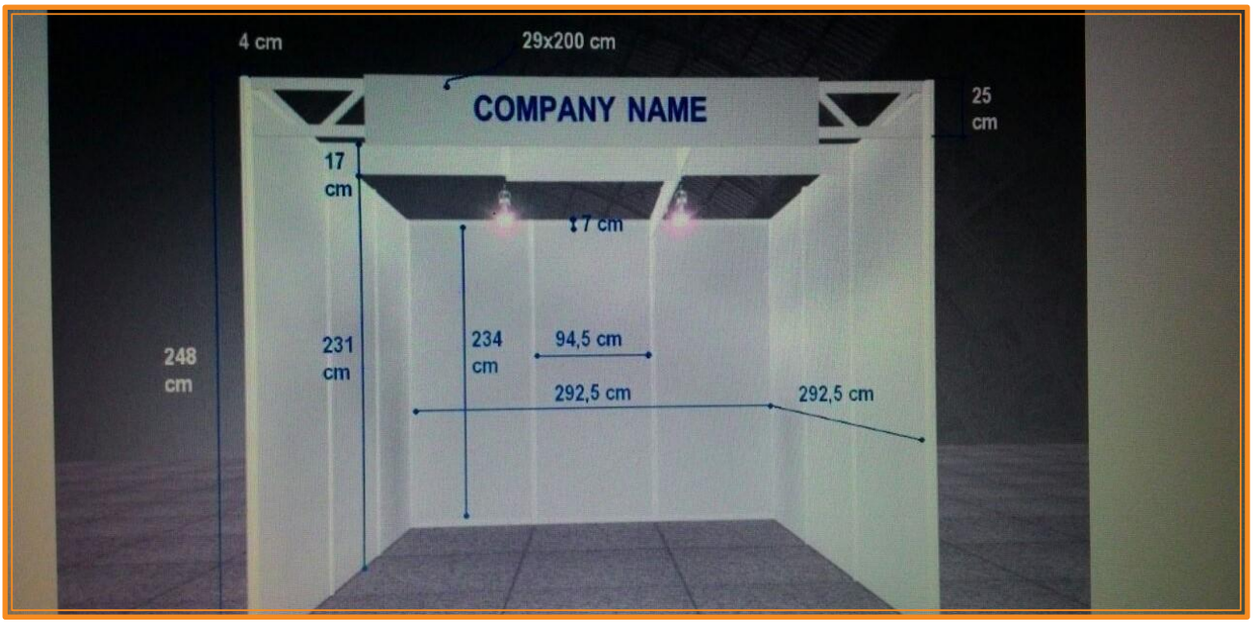

FAIR VISITATION

Fair Visiting Dates	Visiting Hours
08.10.2015	11:00 – 20:00
09.10.2015	11:00 – 20:00
10.10.2015	11:00 – 20:00
11.10.2015	11:00 – 18:00

CLEANUP

Fair Visiting Dates	Visiting Hours
11 Ekim 2015	18:00 – 24:00
12 Ekim 2015	09:00 – 14:00
